Affordable Health Coverage

Learn about insurance options for families, individuals under age 65, and small businesses. These options include government-sponsored programs, tax-favored plans, small group insurance providers, and others.

Affordable Healthcare

Find out about low-cost or free healthcare in Sarasota County:

- Free screenings, tests, and support groups.
- Local programs providing affordable, quality healthcare for children, adults, and seniors.
- Primary & specialty care, and even dental care.

Affordable Medication

Prescription medications can be costly - but we are here to help. You may qualify for assistance in paying for medications, or you may even be able to get them for free.

- Find the best local prices for medications.
- Learn about discount prescription programs.
- Get help covering costs caused by your Medicare Part D plan coverage gap.

Community Events

Get Sarasota Insured sponsors free community information events about affordable health coverage, healthcare and prescription medication options. Families, individuals aged 65 or younger, and small business owners are invited to hear about local options that you may not know about. Don't miss this opportunity to learn from industry experts dedicated to providing information that is practical, unbiased and tailored to the needs of our community.

Talk with an Expert

We offer free, confidential, one-on-one consultations with expert members of the Get Sarasota Insured team. They will ask about your unique situation and help you find the best options for you. We also offer tips for finding the right insurance agent, if needed.

Attention Seniors:

We provide useful information on healthcare, prescriptions, and other health and wellness information for seniors. For information on Medicare coverage issues, SHINE volunteers provide free counseling by phone and in person. To speak with a SHINE volunteer call 1-800-963-5337.
